

Mental Health Association in Fulton & Montgomery Counties

Donate Now

With your continued support, the Mental Health Association in Fulton & Montgomery Counties is able to provide various support and services to some of our most vulnerable members of our community. These supports include presentations to various elementary, middle and high school classes on bullying, peer pressure, eating disorders, stress and suicide prevention; assistance with food, clothing and/or school supplies for families who are in crisis and transportation for mental health services recipients so that they can attend medical/psychiatric appointments if transportation is a barrier/problem for them.

These are just a few examples of how your generosity can help other members of our community.

Last year alone, we helped over three thousand people through the various programs and services the Association offers.

We hope that you will join our efforts today with your contribution.

Mail-In Donation Form

Please print the following form and send your donation to:

Mental Health Association in Fulton & Montgomery Counties
307-309 Meadow Street
Johnstown, NY 12095

I would like to support the Mental Health Association in their programs and services throughout our community. Please complete the entire form.
